Project Name	Q cab – Online Cab Booking Application
Maximum Marks	2 Marks

Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am	Describe customer with 3-4 key characteristics - who are they?	Describe the customer and their attributes here
I'm trying to	List their outcome or "job" the care about - what are they trying to achieve?	List the thing they are trying to achieve here
but	Describe what problems or barriers stand in the way - what bothers them most?	Describe the problems or barriers that get in the way here
because	Enter the "root cause" of why the problem or barrier exists - what needs to be solved?	Describe the reason the problems or barriers exist
which makes me feel	Describe the emotions from the customer's point of view - how does it impact them emotionally?	Describe the emotions the result from experiencing the problems or barriers

Example:

I am a traveler	I'm trying to book flights on my phone	But it takes a long time	Because The website is not responsive and doesn't have a mobile version	Which makes me feel Frustrated
------------------------	---	---------------------------------	--	---------------------------------------

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	a daily commuter / working professional	book a reliable cab quickly for my daily commute or travel	I face long wait times, unpredictable fares, and unverified drivers	there is no single trusted platform offering transparent pricing and verified drivers in my city	frustrated and anxious, especially when I'm worried about being late
PS-2	a woman travelling alone at night	get home safely after work or a late outing	I can't always find a trustworthy cab nearby with a verified driver	existing options don't offer real-time driver tracking or an SOS/safety feature	unsafe and worried about my personal safety
